WHAT YOU'LL NEED TO APPLY

ACADEMIC TRANSCRIPTS

- At least three consecutive years of courses and grades
- Certified translation of all documents not issued in English
- Proof of high school graduation and/or a high school diploma (prior to enrollment)

SUPPORTING MATERIALS

- Arizona-specific application questions
- Statement of Purpose
- Letter of Recommendation (optional)
- SAT/ACT exam (optional)

PROOF OF ENGLISH PROFICIENCY

- International undergraduate applicants whose native language is not English will be evaluated for English language proficiency during the application review process. The most common way for applicants to provide evidence of their English proficiency is through a proficiency exam.

SCHOLARSHIPS

Your hard work pays off! All international students who apply by the Early Action Deadline of November 1 are automatically considered for our merit-based scholarships — no separate application needed.

- Awards are based on your academic achievements and overall application.
- The earlier you apply, the better your chances of being considered.
- After you're admitted, you'll also have access to apply to departmental and competitive scholarships open to international students.
- We're committed to making a world-class education more affordable!

HOW TO APPLY

1. CREATE YOUR FUTURE WILDCAT ACCOUNT
2. SUBMIT A COMPLETED APPLICATION
3. APPLY BY THE EARLY ACTION DEADLINE: NOVEMBER 1ST

For students considering Arizona after November 1st, please check our website for rolling deadlines.

MAANYA

Aerospace Engineering / India

"Before I knew it, I had secured a job at one of my dream companies. Being surrounded by airplanes and being exposed to the aviation industry is a great opportunity that only some get to experience...I still go to work as excited as the first day. I get first-hand experience of applying my engineering education in a fast-paced industry setting."

HARRY

Pharmaceutical Sciences / Vietnam

"The thing I love about the U of A is that it is a traditional college experience. You have a lot of student clubs and organizations you can join. And U of A offers numerous opportunities for you to prepare for your future."
